## 1895 BUILDING DEDICATION PROGRAM SIGNED BY TRAIN MAGNATE GEORGE M. PULLMAN

Donated By Local Book Dealer.

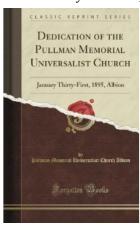

Dennis Seekins recently donated an original program from our building dedication ceremony in 1895 signed by the church's first benefactor, Gilded Age railcar baron, George M. Pullman.

Dennis, a Pullman Memorial board trustee and member of the building and grounds committee, is also an antiquarian book dealer at Quiet Friends books. Besides devoting his time to books and his church's architectural preservation, Dennis (shown seated in his Lyndonville, NY

shop) is a cave explorer who favors travel and adventure narratives in his book business. Dennis also keeps an eye out for Pullman-related printed material.

The doors of Pullman Memorial first opened on January 31, 1895, but the cold weather couldn't keep the 1500 people in attendance away that day. In August 2016, the church plans to host another gala celebration of the 125th anniversary of its formation (1891). The congregation is now raising funds to repair the roof and renovate the playroom and dining hall in preparation for the anniversary festivities. Dennis has kindly offered the proceeds from the sale of the original signed dedication program to the building renovation fund. Many thanks Dennis! Orleans County historian C.W. (Bill) Lattin, Pullman board chair Christine Loss, and celebrant Lee Richards will guide the site visit along with Andrea. This year, Pullman Memorial Universalist Church embarks on a multiphase program to renovate their playroom and dining hall. The Church's historic register edifice was designed by Solon S.
